No. $\frac{11001-10}{Fl. 1085}$

Passing orders on the statement showing the balances of special loans and house-building advances outstanding on 30th June 1897.

Proceedings of the Government of Mysore, Financial, dated 19th May 1898.

Read :—

Letter No. 8305, dated 27th April 1898, from the Comptroller to the Government of Mysore, submitting a statement showing the balances of special loans and house building advances outstanding on 30th June 1897, together with the Comptroller's review thereon.

No. 11001-10—FL. 1085, DATED BANGALORE, 19TH MAY 1898.

ORDER THEREON.—The Government Advocate in Mysore is requested to report what steps have been taken by him towards the recovery of the loan of Rs. 10,000, given to the late Mr. Hund for soap and candle manufactory.

2. The Comptroller reports that the following amounts due from certain encumbered Jahgirdars remained unrecovered at the end of January 1898.

	Rs.	a.	p.	
I. Agrahar Nanjaraja Urs and his brother Desiraja Urs	...	2,046	12 4	Principal
II. Venkatasubhammanni, widow of Nanjaraja Urs	...	836	4 0	Do
III. Musaib Rama Rao	...	2,824	2 5	Do
		994	11 0	Interest.
IV. Sanna Rao, and other members of the third branch of the late Kille Cutcherry Thippiah.	...	544	12 5	Interest.

and adds that Rs. 164-8-3 due from Ahmed Alli and Mahamad Makdam and Rs. 399-5-6 due from Dawood Saib, being the amount of interest on loans advanced to them for the erection of artware workshops also remained unadjusted. The Deputy Commissioner of Mysore is requested to explain the cause of the delay in the adjustment of the above items.

3. The Deputy Commissioner of Kadur is requested to explain why the sum of Rs. 3,577-12-5 due by the Sringeri Matt on account of interest for 1896-97 is still left outstanding though he was written to twice by the Comptroller about its early recovery.

4. The Comptroller brings to the notice of Government that there has been great delay on the part of the Deputy Commissioner of Mysore in replying to the references from the Comptroller's office and that in the two cases noted in the margin no replies have as yet been received. The delay brought to notice calls for an early explanation which the Deputy Commissioner will be good enough to furnish. Prompt attention on the part of Deputy Commissioners is requested to all requisitions from the Comptroller's office.

Sir,

In reply to para 3 of G.O. No. $\frac{11001-10}{74\ 1085}$ dated 19th instant, asking to explain why the sum of Rs 3577.12.5 due by the Sringeri Matt on account of interest for 1896-97 is still outstanding, though the Comptroller twice urged its early recovery, I have the honor to state that, from a reference to the correspondence which has taken place on the subject between the Comptroller and the Deputy Commissioner in the Treasury Department, it appears that on the requisition (Comptroller's No. $\frac{2067}{934}$ of 17.9.97 - copy enclosed) of the former, the District Treasury Department took steps to recover from the Matt the sum of Rs 3201.1.2 (not 3577.12.5 as stated in the G.O. under reference), being interest on the Palace loan for 1896-97, out of the last instalment of

advance then due to the Matt, viz: Rs 5972.14.0, and the Treasury Officer instructed the Amildar of the Koppa Taluk in December 1897 to recover the said interest from the Matt while making payment of the last advance.

2. This was accordingly done and the amount duly credited at the Koppa Taluk Treasury on the 17th January 1898, and the fact was reported to the Treasury Officer by the Amildar on the 18th idem.

3. It would now appear from the accompanying copy of the Treasury Officer's report to the Comptroller No. 266 dated 23rd instant that the amount of interest recovered, viz: Rs 3201.1.2, was duly shown in the Treasury Account for the month of January last but under a wrong head, as explained by that Officer.

4. The Comptroller's general report on the subject of loans and advances,

quoted in the G. O. under reference, is dated the 27th April - nearly a month before the Treasury Officer's report of explanation to the Comptroller.

5. From the foregoing it will be seen that the interest due for the year 1896-97 has been recovered and finally adjusted. |

With reference to the above, has the honor to observe that only Rs 32000/- was paid before the 31st May last and to enquire why the balance of no 12972-14-, also was not paid as desired by Government in its Proceedings no 6706-9 mis: 1267 dated 10th December 1896. The reason for the non-recovery and credit in June last of the interest of Rs 3201-1-2 due from 1st June 1896 to 31st May 1897 on the original balance
